

New Year  
special

LAKE CLUB  
February 2019

Dear Member,

This is my first missive of 2019, so let me begin with wishing you on my behalf and my team a very Happy New Year 2019.

The year 2018 ended on a happy note with culmination of the Winter Carnival extravaganza. The response was overwhelming. The EVENTS with its variety and quality were mega successful and highly spoken of. Christmas Eve programme was a grand affair. Beginning with a sizzling Fashion Show, showcasing many striking Female Models. Choreography was top class. Followed by entertaining songs and Dance Troupe performance. Finally Dancing to DJ Music. We had a full house.

The Christmas Day program witnessed large gathering of children enjoying to the fullest. The crowd was swell and overflowing. The gifts were plenty and liked by all. The program stretched till early evening. The entertaining evenings of Anupam Roy and Kalyanji Anandji registered record footfall. The Members' Day function was a super hit with innovative Naach Baliye and a grand Fashion Show. All by the Members and Families.

New Year Eve Nite was packed to capacity with zero space left on the Dance Floor and adjoining areas. This is an eloquent commentary of the popularity of this Annual Event at Lake Club. Dinner was sumptuous and the spread was large.

The high decibel programs ended, followed by appealing Lake Club Natyamela 2019. Highly appreciated and well attended.

Winter is still lingering and so is the festive season. We at Lake Club are planning to keep entertaining the members with many more happy events and activities from the onset of the year 2019 and hopefully round the year.

With Seasons Greetings.

Mukund Vasudeo Kulkarni

President

Dear Member,

The year 2018 is behind us with a lot to write home about in terms of engagement of our dear members, their families and facility development.

The New Year 2019 took off nicely with Natyamela 2019. This was followed by Feather Cup Corporate Badminton Tournament. Top level twenty teams participated with great enthusiasm and competition was intense.

As traces of fading winter is still palpable, the festive mood persists. The Club Lawn is a beauty with wonderful Flowers in full blossom, the ambiance is a mood enhancer, The entire surrounding with the extensive water body in full view, is a perfect picture of nature and urban renewal coexisting sweetly. We at Lake Club are most mindful about preserving nature within our perimeter. Thus our developmental programmes are aimed at being impactful. For comfort the lawn is equipped with canopy like ultra modern stretched Umbrellas. The service and F & B section is already revamped. Many varieties of liquor is available, often with attractive offers. The feedback from members is very positive.

Many enjoyable programs are in the offing, Some are done by now. We are constantly keeping you updated through SMS and Mail, so that you could actively engage.

Incidentally, the ground floor Ladies Washroom is under thorough renovation and will be completed in the shortest possible time. It surely will be ultra modern and state-of-the-art. The temporary inconvenience is regretted.

The fun events - Club Sports and Annual Picnic was organised deftly and participation was highly encouraging.

Both events were thoroughly enjoyed by the members, their families and Guests.

Few more forthcoming exciting programmes are highlighted herein

With Seasons Greetings.
