'We celebrated the 94th Anniversary of our Club with great enthusiasm and fervour. The festivities witnessed enthusiastic participation from members in a variety of events, including **Mega Housie**,

Karaoke Night and **Shruti Natok**. The vibrant performance by the popular Bangla band Dohar kept the audience mesmerised. The Anniversary Regatta witnessed spirited participation from both Junior and Senior rowers. On Anniversary Night, everyone was transported down memory lane by the timeless, nostalgic melodies of Asha Bhosle, in **'A Tribute to Asha Bhosle'**, creating a truly memorable evening. Among the programmes that deserve special mention were the Vaccination Camp, Health Fest and Knowing Each Other. It was truly heartwarming to see our members participate with such enthusiasm. Around 150 members were vaccinated against various infectious and life-threatening diseases. The Health Fest saw an overwhelming response, with around 350 members enrolling for a comprehensive range of pathological blood tests and special diagnostic investigations. The members who were unable to collect their reports from the Club Office received them by courier at their residences.

'Knowing Each Other' the Members' Get-Together, held on Sunday, 30th August '26, was a grand success with an overall gathering of nearly 1700, including both members and their spouses. The evening was filled with camaraderie, soothing music, refreshing drinks, a delightful dinner buffet, and warm conversations. Members mingled freely, shared laughter, and revelled in the lively atmosphere, participating wholeheartedly in the fun and entertainment arranged for them. The joyous interactions, cheerful smiles, and spirited energy throughout the evening truly reflected how much everyone enjoyed themselves. The event strengthened the bond of love and togetherness among members.
