PULL TOGETHER
LAKE CLUB NEWS
March 2020

Dear Member,

The month of February 2020, by and large, was cool in the first half, so we organized the annual Lake Club picnic comfortably. There were a record attendance and all-round enjoyment with superb arrangements and choicest food menu. With games, music, DJ, it was a really fun time. The Valentine's Day celebration has now become trendy in all leading clubs, varieties of entertainment programs, with retro-modern, romantic melodies and couple dance events, etc. We had a wonderful musical evening with the popular performer, Jolly Mukherjee and his large contingent of musicians. The large crowd of members, families, and guests enjoyed all the way. A special mention is appropriate for the set up of the stage, audiovisual, lights, led wall, all very professional and high quality, adding value to the program.

The corporate Badminton tournament, Feather Cup 2020, was concluded with usual enthusiasm and excitement and also good participation.

One of the most awaited flagship event of our club, HOLI - DOL UTSAB, is in the offing, on 9th March 2020. This is being planned meticulously and on a grand scale and festive fervor.

The other upcoming programs planned during March 2020 will surely be enjoyable as well for the members and their families.

With Seasons Greetings.

Dear Member,

We have just concluded two very exciting and popular events in our club. The Vintage and Classic Car Show 2020 was organized in association with Calcutta Motor Group recently. A real spectacle with great visual impact having many rare models of Vintage cars and motorcycles on display, all showcased with great flourish.

Our sincere thanks to our associates and partners for this event.

SAMPRITI, an annual drama festival of eight clubs were staged with a lot of fanfare. Our club staged "Ashalin", by Sri Bratya Basu. Direction by Sri Raajhorshee De was outstanding and acting performance by all Lake Club members was superb. The entire show was deftly synchronized and well performed.

As committed we are taking up renovation and refurbishment of the **Patriot Lounge - Bijoli Grill Restaurant**. Once completed in about 60 days, members and their families will have a very pleasant ambiance and exciting dining experience. The design is trendy and execution planning ensures earliest timeline and minimal disruption of services. In the interim, we solicit the cooperation of members.

The Lake Club lawn is in full blossom with lovely flowers of many a kind, a real treat to the eyes. All may please come more frequently and enjoy the season's flavor. A few other programs planned during the month will surely provide engagement and family entertainment.

With Seasons Greetings.
