

# Nabobarsho Special

**PULL TOGETHER  
LAKE CLUB NEWS**

**April 2023**

**Dear Member,**

It is that time of the year again when we decide to keep aside the old and eagerly anticipate the new. Nabobarsho 1430 is almost upon us now and we have a slew of programmes both on Chaitra Sankranti and Poila Boishakh to make this cusp of time truly memorable in our minds and thoughts. I do hope that you will make time to attend the wonderful programmes curated for you and your loved ones.

On reflection I also deeply appreciate your attachment and affection for the Club as evidenced by the successful completion of many cultural programmes in the past month. Your active participation turned each and every programme into virtual celebration parties where, even as we partied hard, we also appreciated and lauded the tremendous hard work put in by all the Committee members to make you always feel so welcome and comfortable in your home-away-from-home. However a word of caution. The Adeno virus is still on the prowl claiming many innocent and unsuspecting people as its victims. I will urge you to remain on your guard and be cautious whenever you decide to become a part of a congregation of people at a get-together and maintain all the preventive measures and extant protocols in force.

Wishing **"Shubho Nabobarsho"** to you and your family and may you remain in good health and great cheer in the days to come.

With Best Wishes

**Dr. Saibal Kumar Chakaborty**  
**President**

**Dear Member,**

We are so glad that we had an extremely successful Members' Day post Valentine's week. The attendance is a reflection of the love and trust you have for the club.

Holi was celebrated very enthusiastically and we thank you all for adhering to the regulations. Sampreeti, the Inter-club drama festival, hosted by our club this year was a grand success, with our drama being highly appreciated. The hospitality extended by us received lots of adulation, too. The swimming season starts from April.

The month is also a celebration of the Bengali New Year. We will usher in the New Year in mid-April with two musical evenings, one on Chaitra Sankranti and the other on Poila Boishakh. Your well-being is our utmost priority and we try to make sure that you feel comfortable and relaxed, whenever you step into the club.

We look forward to your enthusiastic presence in the coming events.

Keep yourself and your family members happy and healthy.

Regards
