

# **PULL TOGETHER LAKE CLUB NEWS**

**August 23**

Dear Member,

The monsoon is now here and giving the much awaited relief from the tremendous heat that we were all suffering from.

However, the season, apart from relief, brings along with itself, its own set of complications. We can never afford to be complacent about it. In keeping with this spirit, the Club will be arranging a health checkup session in August. I will advise all of you to register yourselves and get the mandatory tests done.

You will be happy to note that the Club will be celebrating its 91st anniversary this year. This calls for joyous celebrations all across. A plethora of programmes have been arranged in this regard in August, starting from the 18th of the month, especially for you and your family. Come to the Club, be a part of the festivities and soak in the spirit of good cheer and happiness.

I will conclude with a word of caution. Water borne diseases are on the rise in the City. Instead of getting alarmed, we need to take precautionary measures to remain safe. Do abide by the advisory from the government given in this respect.

Wishing you all the best and hope to catch up with all of you in August.

Regards and Best Wishes

**Dr. Saibal Kumar Chakraborty**

**President**
